

Stainless Steel Edge Spring Clip

Overview

The edge spring clip provides a consistent gap around perimeter of paved area, and tensions paving away from wall abutment.

- Spring loaded design tensions the paving surface
- Allows for perimeter drainage
- Compatible with all paving types
- Eliminates creepage of edge tiles

Performance

Material	Stainless steel
Biological/chemical	Resistant to moulds, algae, alkali, bitumen, UV
Reaction to fire	A1
Dimensions	166x40mm
Edge gap	10mm
Warranty	30 years
Design life	60 years

Compatible Systems

BalcaSmart[®]
Pedestal Paving System

Straightforward, robust paving system for metal-frame balconies

BalcaSmart[®]
Rail Paving System

Premium, versatile paving system for waterproofed substrates

TerraSmart[®]
Pedestal Paving System

Straightforward, robust paving system for waterproofed substrates

TerraSmart[®]
Rail Paving System

Premium, versatile paving system for waterproofed substrates

TerraSmart[®]
Pedestal Paving System

Straightforward, robust paving system for waterproofed substrates, **where non-combustibility isn't required**

TerraSmart[®]
Rail Paving System

Premium, versatile paving system for waterproofed substrates, **where non-combustibility isn't required**
