

DSC Joist Connector Bracket

Overview

Component Summary:

The Joist Connector Brackets are versatile aluminium components used to connect DS Aluminium Joists together. The angled detail at the base of the brackets fits neatly into the groove on the side of the joists, making installation quick and easy. Available to fit 25mm, 50mm, and 75mm joists and in 90-degree, 45-degree, and straight formats, these brackets can be bent to create bespoke angles.

- Available to fit 25mm, 50mm, and 75mm joists
- 90-degree, 45-degree, and straight formats
- Locator connection to DS Aluminium Joists

Details

Material	Aluminium 1050A
-----------------	-----------------

Performance

Warranty	10 years*
