

MSE

Eiger Modular Seating Kit

Patent Pending:
GB 2407206.8

Overview

The Eiger Modular Seating kit is a set of standardised components that perfectly integrate with the Eiger porcelain planter, allowing inset benches to be installed with minimum hassle, speeding up installation as well as enable quick delivery. They are available in customisable lengths, and with or without backrest, giving design flexibility combined with simplicity. The seating planks are available in a range of popular timber species.

- Seamless Integration with Eiger Porcelain Planters
- Design flexibility
- Hidden support structure

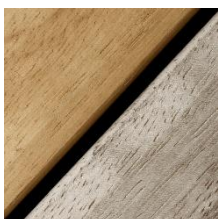

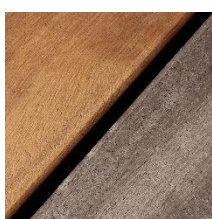

Details

Material	Steel and timber
Dimensions	Seat depth 480mm, width 1200mm+
Sustainable sourcing	Manufactured using FSC-certified timber (FSC®-C156894)

Part Information

Code	Description	Design options
MSE-B	Steel frame and timber bench with backrest	Vertical or Horizontal Slats
MSE	Steel frame and timber bench with no backrest	Vertical or Horizontal Slats

Finishes

		
Iroko	Sapele	Douglas Fir

Compatible Components

	BB Baseboard		BBF Baseboard Fixing
