

# CDB-P

## Performance Composite Decking Board

### Overview

The Performance Composite Decking Board is a wood-polymer composite (WPC) board with a contemporary, grooved appearance, ideal for achieving a classic composite look. This Class B fire rated board is reversible, providing both narrow and wide groove options, offering greater design possibilities, along with a matching corner profile for the edge of decked areas.

- 5 colour options, 10 different looks
- Class B fire rated
- Long-lasting: will not rot, warp, or twist
- Non-slip and splinter-proof
- Low maintenance: no need for treatment or staining
- Matching corner profile

### Details
